

Returning Families HOME VISIT QUESTIONS

Tell us about your summer. Did your family do anything special?

Was your child taken care of by someone other than you?

Tell us about your child. What new things are they doing at home since last school year? New interests or skills?

Did your family attend any of the EHS socializations this summer?

What are some of the ways you guide your child's behavior at home? Are you facing any challenging behaviors right now?

We want to support families as they raise their children. How did our program do this for you last year?

How can we continue to work with your family?

What meals/snacks does your child especially enjoy?

What are some activities your family enjoys doing together?

What do you want your child to get out of their school experience this year?

What things can we work on together?

How do you encourage your child to try something new?

How do you approach saying goodbye to your child?

What is your child's learning style?

What are the daily routines that are most important to your family?

What are some things that help your child settle for a nap/rest?
